SELECTMEN'S NARRATIVE

Hello Again! We found 1986 to be a productive and challenging year and look forward to 1987. As we're all aware, a municipality must maintain adequate insurance coverage. Joan has spent a good deal of time making sure all necessary buildings and individuals are covered adequately, with the least amount of cost possible. Prior to her investigation, there were many areas that were not covered adequately which could have resulted in great liability to the Town. Good job, Joan!

All litigation on roads have been resolved with the exception of the Valley Road, which should be settled shortly.

Land Contractors, who have been maintaining our roads for summer and winter maintenance has decided to **not** enter a bid or continue to do the roads. We thank them for the past years of service.

At the writing of this report, we are advertising for bids, and should any be received, we will expand on this at Town Meeting. However, you will find an article to raise and appropriate \$75,000 to purchase and rehabilitate equipment. Should no bids be received, then we must of course maintain and repair our roads, and this would mean going back to our own road agent. In this Town Report you will find a report of the road Study Committee, which the Selectmen feel did not expand enough on wages, insurance, hand tools, parttime help and specific equipment purchases. Should we go back to our own road agent, the main vehicle would be a new 1-ton 4x4, possibly repairing the present grader or trading for a used one and possibly purchasing a second hand dump truck. These decisions will have to be worked out with the Selectmen and the road agent.

We are expecting the State to start with revaluation later on in the year, or early in 1988. Once they commence, time for completing in entirety is 12 to 14 months.

Last year was our first year for July 4th fireworks, and all feed-back indicates it was a **big** hit and success. Dan Eaton donated his time, and should the money be appropriated, his continued support, and thank him for a job well done!

We have accepted contractor's bids for roofing the Town Hall, as well as for painting the Town Hall and the old Fire Station. As soon as weather permits, the work will commence. Eveett Richer was awarded the bid for painting of the Town Hall along with the old Fire Station. Long's Lasting Roof Company was awarded the bid for a new roof on the Town Hall.

We have asked John Cressy to install a new pump along with controls for the well to alleviate recurrence of water shortage problems at the Town Hall. The well has been, and continues to be a problem. These repairs should correct it once and for all.

Stoddard is not insulated from the growth spurt that New Hampshire is presently experiencing. As we grow, the needs of our citizens grow. Traditionally, the Town's people have come forth to volunteer their time and talents to the many boards and departments that keep the Town running. We wish to thank those who have served, and remind you that your comments or suggestions are always welcome.

Respectfully submitted,
Harry R. Power, Selectman
Joan Zelasny, Chairman
John D. Halter, Selectman

STODDARD FIRE & RESCUE DEPARTMENT

This past year the Fire & Rescue Department responded to a total of 41 calls broken down as follows: Rescue Calls 17, House Fires 3, Chimney Fires 5, Mutual Aid Calls 3, Car Fires 2, Brush Fires 4, Automobile Accidents 5, Boat Accident 1 and 1 dog through the Ice. Fortunately, the 3 house fires caused only minor damage, 2 of the fires being caused by lightning strikes.

With all the chimney fires occurring in the region this year, I cannot help but believe that the reason Stoddard has had fewer than many of the surrounding towns, is due to the fact that we offer free chimney cleaning service and that many of Stoddard residents take advantage of the service provided.

In the past year we purchased 500 feet of 4 inch hose and we hope to purchase another 500 feet this year ensuing with an additional 500 feet to be purchased the following year to give us a total of 1500 feet.

We did have a setback this year when two of our older Scott Air Paks malfunctioned and Scott Industries refused to repair them due to the fact that these units are now obsolete and in fact a danger to the person wearing them. A third Air Pak, although in operating condition, is also considered obsolete and has had to be taken out of service because of that fact. We therefore hope that the voters will see fit to allow purchase of 3 new Survivair Air Paks to replace these units no longer in service.

Kingsbury Machine Tool Co. donated considerable time and materials by rebuilding the rear body of our old FWD, the work, done at a cost of \$600, would have cost in excess of \$3,000 had we had to bear the cost ourselves.

As in the past, we wish to remind all Town's people of our chimney cleaning service as well as pumping out cellars and wells. There is no charge for this service. If you wish to take advantage of any of these services, please call Chief Don Fleming at 446-2247 or Deputy Chief John Cressy at 446-7159.

**REPORT OF TOWN FOREST FIRE WARDEN
and
STATE FOREST RANGER**

Between July 1985 and June 1986, we experienced fewer fires than normal. The two leading causes of forest fires were again children and fires kindled without written permission of a Forest Fire Warden. Both causes are preventable, but only with **your** help.

Please help our town and state forest fire officials with forest fire prevention. Contact your Forest Fire Warden for more information.

Enforcement of a state timber harvest regulation is the responsibility of State Forestry officials. Our state has excellent timber harvest regulations; however, your assistance is needed.

If you know of a logging operation and suspect a state timber harvest law may be violated, call your Forest Fire Warden.

If you own forest land, you became responsible for the timber tax payment starting April 1, 1986. This is a change in the Timber Tax Law that will impact all forest landowners. Contact your Board of Selectmen for timber.

STODDARD POLICE REPORT

1986 showed a pleasing change for the Stoddard Police Department. The first change was a decrease in crimes against persons and property. With that, however, came an increase in motor vehicle offenses, domestics, and annoyance calls. We also had a tremendous increase in "alarm calls".

With the decrease in the price of technology, more of you are putting in home burglar alarm systems. We ask that when you do so that you put in quality equipment, advise the police department of the installation, and of someone to contact to disarm the system if it misfires.

We feel that 1986 is a year to look back and look to the future. Approximately seven years ago, Stoddard had five police officers and crime was at a standstill. Today we have two police officers, and feel we may lose the battle. Seven years ago you could be given a badge and a gun and told to go do the job. Today it takes approximately 100 hours of training to meet the minimum requirements to be able to handle a complaint, and I stress "minimum" - many full-time departments require in excess of 1000 hours. In addition to this, if an officer leaves service for twelve to twenty-four months, they are required to start the training process from scratch.

Because of the constantly changing requirements, difficult hours, and low pay, it is getting more and more difficult to find people willing and qualified to put in the time, commitment, and dedication to small-town law enforcement.

We are very fortunate this year, having acquired the services of David Vaillancourt as a new police officer for the Town of Stoddard. David brings with him a knowledge of the town and its inhabitants, both summer and year round, and a sense of commitment and fair play. I am sure that those of you who know him are pleased to have him aboard, and those who meet him in the future will be impressed with his abilities and professionalism.

For the future, we should start looking now toward 1990. With the new

road reconstruction projects about to begin on Route 9, Keene will, in the near future, be a 10-12 minute ride from Stoddard. Add to this the expanding business base in Keene, and Stoddard's low tax rate, we can expect not only the possibility, but the probability of Stoddard becoming a suburbia to Keene. To meet the changing times and needs, we should be looking, in the very near future, to hiring and training one or two more officers. Because it takes in excess of one year to properly train a new officer to do his job, we should start the process now. We also need to increase in-service training to meet the changing standards and requirements.

Lastly, we should start putting money away for a 4WD cruiser. If we started now putting \$2500 a year in capitial reserve, it would be 1995 before we would be able to afford it. A 4WD cruiser would enable us to handle complaints on all roads in Stoddard and during inclement weather we are all familiar with. We hope you will give these ideas serious consideration. They are for your benefit - not the police department's.

As in the past years, we thank you for your help in calling in suspicious activities, and your actual lending of help in emergencies.

In any emergency, please call 352-1100, as this will provide you the quickest response day or night.

Respectfully submitted,

Daniel Adams Eaton

REPORT OF STODDARD CONSERVATION COMMISSION

1986

The Stoddard Conservation Commission operated during 1986 investigating dredge and fill applications and reporting results to the N.H. Wetlands Board. Stoddard was represented at the annual meeting of the N.H. Association of Conservation Commissions held in Concord on November 6, 1986, and a Commission member represented Stoddard in the Citizens' Task Force Alliance, a group organized to monitor activities of Congress and the Department of Energy following the suspension of plans for a nuclear waste repository in New Hampshire. Three Commission members attended a workshop sponsored by the Keene Conservation Commission. Joseph Coughlin was welcomed as a new member.

**TOWN OF STODDARD
REPORT OF AUDITORS - 1985**

March 10, 1986

Selectmen

Town of Stoddard, New Hampshire

We hereby certify that we have examined the records of the Selectmen, Town Clerk, Tax Collector, Treasurer, Trustees of Trust Funds, and Boat Permit Fee Agent of the Town of Stoddard, NH for the year ending December 31, 1985. In our opinion, the aforementioned records, together with their financial statements and auditor's report present fairly the financial position and the results of its operations and changes in its financial position for the year ended, in conformity with generally accepted accounting principles, applied using cash basis methods consistent with that of the preceding year.

John D. Halter, Town Auditor

Diane G. Halter, Town Auditor

HIGHLIGHTS OF THE 1985 AUDIT

The Town of Stoddard finished the year with a reported surplus of \$39,335.22 bringing the Town's Fund Balance to \$47,495.22. It should be noted, however, that in 1985, Stoddard experienced two extraordinary items; a sale of Town land resulting in a transaction for \$39,200.00 and mandatory road improvements costing \$29,600.00. The surplus from operations of the Town is thus adjusted to \$29,735.22 and the surplus for extraordinary items is reported at \$9,600.00.

A written confirmation of outstanding property tax bills was done for the first time in 1985. In the past, this was done by phone. A positive response type confirmation was done (sample attached) and post-paid envelopes were provided. The sample selected was 100% of the tax bills \$400.00 or more, not paid by January 30, 1986. This method tested 61% of the \$44,268 receivable as of December 31st. One negative response reported that his property was sold and gave us the date of the transaction and the new owners name and address. We reported this to the Tax Collector and a new bill was sent. All other responses confirmed their bill.

REPORT OF THE AD HOC COMMITTEE

to study

"Feasibility & Cost Factors Involved In Equipping & Maintaining a Road Agent"

We attempt to keep this report short and understandable.

It is the unanimous belief of the Committee that we return to the Road Agent method of keeping our fourteen miles of road in good shape.

The contract agent's firm is getting busier at the time of year when roads most need attention. We face continuing growth, more regular and summer residents, more use and abuse of roads.

Such a high proportion of town taxes are paid by non-residents, the least we can give them is decent roads. New land development with concurrent building and new roads.

We recognize that if we return to road agent care of our roads, the initial costs will be high. However, we believe that if these costs are fanned out over three to five years, that the town tax rate can comfortably absorb them and eventually will arrive at a point when a road agent will cost less than contract work with more being done.

We recommend that a permanent road agent be hired by the selectmen to serve at their pleasure, according to NH laws.

This full-time road agent should be salaried at not less than \$15,000 a year, with opportunity to advance, plus perks, such as family BC-BS, workmen's comp., etc.

We suggest that the road agent give the town forty hours a week of work, recognizing that many weeks in the winter that time will double, and at other times, lessen. We recommend that the road agent be hired as an ombudsman and that during time of slack road work, the road agent be used to work on town projects; e.g., painting town buildings, maintain equipment and make repairs on equipment, cutting back to stone walls on many of our old roads, etc.

After new highway maintenance equipment is purchased, the road agent should have a fairly substantial budget for general expenses of highway department; e.g., purchase of tools, salt, sand, gravel, oil, and eventually, plow blades, tires, major repairs.

Also, there should be an allowance in the road agent's budget for additional temporary help hired on an hourly wage base whenever the job requires, such as when using a power saw, or wing on the plow truck, or in any instance where two or more people are needed to do the job, or if it is dangerous undertaken as a one-man job, such as power saw.

Again, the private world of any contract agent becomes busiest at the time of year when town road work becomes important. We recommend, in as much as the acquiring of machines and equipment will be on a non-precise budget figure, adoption of fairly high budget. If it all goes under budget, the money will return to general funds.

REPORT OF THE STODDARD PLANNING BOARD

1986 was a busy year for the Planning Board. This past year zoning was approved by the voters, and this has been extremely helpful for well planned growth in the various districts. There are three districts: residential, lakeside, and rural. Copies of the Zoning Ordinance are available through the Town Clerk for a complete understanding of the zoning ordinances.

In the many ears that I have served on the Board, I would have to say that '85 and '86 were the busiest so far. As New Hampshire is one of the fastest growing States in the East, and with a strong national economy, I believe Stoddard is only seeing the beginning of many more subdivisions. AS ALWAYS, the board needs members to serve, and we welcome and encourage anyone willing to participate, whether as an active member, or as an alternate.

Last year, someone asked me - rather told me - that the ultimate goal of any Planning Board was to **stop growth**. This is not so. The primary responsibility of the Planning Board is to welcome growth, but always by the prescribed manner of the law, and always with the Town's best interest at heart to create an orderly growth pattern.

Good news: Even with all the subdivisions this past year, and many complex road issues, the Board was able to function without involving costly court litigation.

From time to time, the board may find it necessary to add or delete a zoning change. The meetings are always open to the public, with notices posted. The Board meets the first Tuesday of each month and all are welcome to attend. We are interested in hearing your ideas or views on what we are doing. Remember, this is **your** Town and **your** Board, so get involved!

RECESSED TOWN MEETING

April 22, 1986

You are hereby notified to meet at the Town Hall in said Stoddard on Tuesday the Twenty-Second day of April next at 7:00 of the clock in the evening to act upon the following subjects:

Art. 10 Part II Shall the Town appropriate the sum necessary to fulfill the terms and conditions required by the Ashuelot Valley Refuse Disposal District for new members entering the district? (By Ballot). Motion made and seconded to accept Art. 10 Part II.

An Amendment made by Brian Cartwright to change the wording to read: To see if the Town will **raise and appropriate** the sum necessary to fulfill the terms and conditions required by the Ashuelot Valley Refuse Disposal District for new members entering the district? Seconded. (By Ballot)

Bob Reisberg from Marlow speaks for the Ashuelot Valley, giving us a report on their progress and what Towns have joined and those who have not and why. By RSA on the 149M project every Town and Citry must become a member. The amount to appropriate is figured at \$1.30 per capita of the 1980 census. Our share for Stoddard would be approximately \$500.00. Art. 10, Part II is voted on as amended and carries. 21 YES - 2 NO.

Art. 21. To see if the Town will vote to establish a Capitol Reserve Fund for the purpose of purchasing a Police Cruiser and to raise and appropriate the sum of \$2,500.00 to establish the account. In accordance with RSA 35:1. This article was tabled at the March 17th meeting. Motion made and seconded to bring Art. 21 to the floor for action. Discussin on the Article follows. The Police Chief was not there to speak on the article. On a voice vote Article 21 is defeated.

Art. 22. To see if the Town will vote to authorize the Board of Selectmen to negotiate a contract with a competent, licensed and insured firm to provide a fireworks display for the 4th of July and to raise and appropriate the sum of \$1,500.00 for that purpose. This article was tabled at the March 17th meeting. Motion made to bring Article 22 to the floor for action. Seconded. Discussion follows. Art. 22 carries unanimously on a voice vote.

Moved to adjourne at 8:00 P.M.

STODDARD SCHOOL DISTRICT School Report

The educational program stresses Math, Metrics, Health, Social Studies, Science, Physical Education, Music, Art and Computer Languages. Our Language Arts program has the following components: Reading, Comprehension, Grammar, Structural Skills, Phonics, Spelling, Handwriting, Capitalization, Punctuation, Dictation, Creative Writing and Reading for Enjoyment. The manner in which the students are taught is varied. Some subjects are taught in small on grade level groups, while others are done individually and independently. Occasionally, we work in large mixed grade level groups.

Some of the people who have contributed to the success of the school this past year are: Paraprofessional Aides - Robin Dunham and Sharyn Dinkel; Music Teacher - Karen Desrosiers; Art Teacher - Eve Kenyon; Nurse - Donna Gaylord; Volunteer Physical Education Teacher - Mary Conklin; and Custodian - Sue Taylor. Many thanks to the P.T.O. for helping with, and funding some of our special programs. Thanks also to Muriel Quist for her continued support.

We have continued with the traditional programs of the past. In the spring we had Prize Speaking, Graduation and Memorial Day Services. We had our end of the year picnic at the Granite Lake in June. Since school has started, we have had our annual Halloween costume party and Christmas program.

In cooperation with the Guidance Department at Keene Junior High School, several programs are planned for sixth graders. These include: a slide presentation, a question and answer period, a visit to the junior high school and a special meeting to acquaint parents with the junior high.

Special programs enjoyed in this past year were slide presentations by the Keene Garden Club and by I.F.Y.E. students from Cheshire County Extensions Services. We participated in the State of New Hampshire classroom fluoride mouth rinse programs with daily toothbrushing. In the spring the entire school worked with Janet Atoball, an intern from the Harris Center, on seeds, roots and tree identification. This winter the children enjoyed working with Amy Day, another intern from the Harris Center, on animal adaptation. Last February as a high point of studying the Presidents, Mr. Randy Gregory, from Keene, shared his collection of pictures and plates of presidents and spoke with us on his experiences as a collector.

I was able to obtain a \$660.00 grant from the N.H. Commission of the Arts for the 1986/87 school year. This program is jointly funded by the N.H. State Council on the Arts and the National Endowment for the Arts, a federal agency. Last spring we did stocking dolls with Linda Morley, contra dancing with Dudley Laufman, visited Willard Richardson's farm in Peterboro and made a scrap book. This coming year we will enjoy making pottery during two one week residencies with artists Teresa Taylor-Ellis and Dwight Graves.

Our Block Grant for the year 1985/86 was used on "Exploring Our Environment". Trips were taken to the following places: the Audubon Society in Concord; Odiorne Point in Rye; and a whale watch. We did special art and drama classes concerning our environment. The artwork was on exhibit at the Town Hall the night of Prize Speaking, and some creative dances were done that evening.

Our Block Grant for the year 1986/87 is "Family Life: Then-Now, 1830's-1980's." We have gone to Sturbridge Village and plan a number of activities throughout the school year: weaving, stenciling, contra dancing, drama and food preservation and preparation.

I would like to thank the Island Pond Association for their gift of three books on "Trees", "Birds", and "Insects". Thanks also for the record of "Bird Calls". Again thanks to the P.T.O., the school board, parents, and townspeople for their continued interest and support. Come and visit us, we are proud of our school.

Respectfully submitted,
Barbara K. Cutting

STODDARD SCHOOL DISTRICT 1986 School Nurse Report

The school health program for the 1985-86 calendar included the following student screenings: height, weight, vision, hearing, and immunization updates. Families were notified if a physician referral was indicated.

Educational information was presented in the areas of personal hygiene, nutrition, and substance abuse.

Respectfull submitted,
Donna Gaylord, R.N.
School Nurse

STODDARD SCHOOL BOARD REPORT

The Stoddard School Board meets the first Thursday of each month at the James M. Faulkner Elementary School at 7:30 p.m. Anyone wishing to appear before the board is asked to please contact a board member so that the name can be added to the agenda. The board encourages the parents and townspeople to participate.

Henniker and Weare voted to build a new high school, John Stark Regional, causing the state to split SAU #24 with Hillsboro-Deering, Washington, Windsor and Stoddard in their own SAU: thus leaving Stoddard where we didn't want to be. An attempt was made to transfer to SAU #29 (Keene); the state board will not allow this for another year. An appeal was made to the State Board of Education for Stoddard to remain in SAU #24 for another year and this appeal was granted. Under the current plan Stoddard should be a member of SAU #29 with the start of the school year 1988-89.

The town is growing and the school population is increasing. The board has placed an article on the warrant to establish a capital reserve fund for building purposes; we are hopeful this will be established.

Respectfully submitted,

Philip Hamilton, Chairperson

Nancy Cressy

STODDARD SCHOOL DISTRICT PTO REPORT

The Stoddard PTO meets on the first Wednesday of the month at 7:30 pm at the James M. Faulkner School. Officers for this year include Diane Halter, President; Brenda Vaillancourt, Secretary; Barbara Cutting, Treasurer.

In September, the PTO began its year with a membership supper. Now members were encouraged to attend as planning for the year and delegation of duties too place. Many thanks to all our members.

The children enjoyed the Annual School Halloween party held at the end of October. We invited all pre-school age children to join us at the School for the party. The PTO provided games, prizes and refreshments.

The Bake Sale held on Election Day was a success. The PTO would like to thank all who worked on the sale and donated food items.

In December the PTO was busy with the annual Christmas Party which was enjoyed by all. A special thanks to Santa and everyone who made it a success.

Many thanks to all who work and donate to our Hot Dog Days. It is a real financial success for the PTO and the children really look forward to it.

The PTO will be providing prizes for the Annual Prize Speaking night and the food for the cookout at the end of the year. We are also hoping to be present in Stoddard's "Old Home Days" this coming summer.

Come out and support your school and children. **Join the PTO!**

Respectfully submitted,
Diane Halter, President

MINUTES
ANNUAL MEETING STODDARD SCHOOL DISTRICT
March 6, 1986

At the Stoddard Town Hall at 8:10 PM, the Moderator, Daniel Eaton, called the meeting to order. He dispensed with the reading of the entire warrant and proceeded to read Article 1.

Article 1. Election of School District Officers

To choose by non-partisan ballot the following School District Officers.

- A. Moderator for the ensuing year
- B. Clerk for the ensuing year
- C. Treasurer for the ensuing year
- D. One School Board Member for the ensuing three years.
- E. Auditor for the ensuing year

Sue Bernier moved to elect the Officers by non-partisan ballot. Seconded by Phil and voted in the affirmative.

The Moderator then read Article 6.

Article 6. Proposed Amended AREA Agreement

To see if the District shall amend the 1966 Authorized Regional Enrollment Area plan serving grades 9-12 in the School Districts of Chesterfield, Harrisville, Keene, Marlow, Nelson, Stoddard and Westmoreland in accordance with the provisions of the amended plan printed in this warrant. The text of the proposed amended plan is attached to this warrant and made a part of this warrant. Sue Bernier moved that the District amend the 1966 Keene Authorized Regional Enrollment Area serving grades 9-12 in the school districts of Chesterfield, Harrisville, Keene, Marlow, Nelson, Stoddard and Westmoreland in accordance with the provisions of the amended plan as posted. Seconded by Phil Hamilton. No discussion. The vote to be made by paper ballot. Motion voted in the affirmative.

Nancy moved that the meeting be recessed for five minutes for the purpose of voting on Articles 1 and 6 and that the polls remain open until 9 PM or the close of the meeting, whichever came first. Seconded by Sue Bernier and voted in the affirmative. The Moderator declared a recess and at 8:00 PM continued the meeting with Article 2.

Article 2. Salaries

Phil Hamilton moved that the district vote to accept the salaries of the school board and the compensation for other officers and agents of the district as printed in the annual report. Seconded by Charles Eaton. The motion was adopted.

Article 3. Reports

Phil Hamilton moved that the reports of agents, auditors, committees and officers be accepted as printed in the Annual report. Seconded by Charles Eaton and voted in the affirmative.

Article 4. Budget

Nancy Cressy moved that the district vote to raise and appropriate the sum of three hundred eight thousand, five hundred fifty-one dollars (\$308,551.)

for the support of schools, the payment of salaries of school district officials and agents and for the payment of the statutory obligations of the district. Seconded by Charles Eaton and voted in the affirmative.

Article 5. School Lunch Program

Tom Yocono moved to indefinitely postpone this article. Seconded by Charles Eaton. Motion was adopted. Tom Yocono suggested that the Board present more information at next year's hearing. Daniel Eaton explained that a 10 year's waiver had been granted Stoddard in 1977.

Article 7. Deficit or Supplemental Appropriation

Charles Eaton moved that the district vote to raise and appropriate the sum of seven thousand, seven hundred and nine dollars (\$7,709.) as a deficit or supplemental appropriation for the 1985-86 school year, said amount to be turned over to the School District, by the town, prior to June 30, 1986 to pay for the support of schools. This amount is equal to the amount of anticipated revenues from sweepstakes, building aid, handicap aid and federal block grant. Seconded by Brenda Vaillancourt and voted in the affirmative.

Article 8. Grants

Charlie Eaton moved that the district vote, pursuant to RSA:20b to authorize the school board to apply for and expend without further action of the school district meeting, money from any source which becomes available during the fiscal year upon the following conditions:

- A. The money must be used for the legal purposes for which the school district can appropriate money.
- B. The school board must hold a public hearing in connection with any proposed expenditure of fund.
- C. It shall not require the expenditure of additional funds. Seconded by Tom Yocono and voted in the affirmative.

Article 9. Other Business

There being no other business to come before the meeting at this time Sue Bernier moved that the meeting be adjourned and the polls be closed. Seconded by Charles Eaton and voted in the affirmative. The Moderator declared the meeting adjourned at 8:45 PM

Sue Bernier was given a round of applause for her many years of service on the board.
